LOOSE LEAF TARIFF INFORMATION

This tariff is issued in loose-leaf form and all changes will be made by reprinting the entire page. Such reprinted pages will be designated "Revised Page" and will bear the same page number as the original page. Each revised page will show, in the upper right hand corner, its revision number and what page it cancels. For example "1st Revised Page No. 1 cancels Original Page No. 1", or "2nd Revised Page No. 1 cancels 1st Revised page No. 1". New pages added to the Tariff will be designated "Original Page No. 1A". Revisions of such pages with letter suffixes will be handled in the same manner as described above for pages without letter suffixes. Revised pages cancel only pages bearing the same page number. In no case would Page No. 1A cancel Page No. 1, nor would Page No. 1B cancel Page No. 1A.

CHECK SHEET FOR CORRECTION NUMBERS:

Upon receipt of revised or new pages, a check mark should be placed opposite the correction number corresponding to the number shown in the lower left-hand corner of the revised or new page. If correction numbers are checked as received, check marks will appear in consecutive order with no omissions. If check marks indicate that a correction has not been received, a request should be made to the issuing agent for a copy of the page bearing that correction number.
